Modern two double bedroom converted apartment located in a popular city centre location. Offered to let un-furnished. Available 25th January 2024.

This lovely property forms part of a beautiful conversion with stunning well-kept communal areas and being close to the Seven Dials and its great local amenities.

The apartment is of a modern standard and has great sized rooms throughout. The living room is at the front of the property with high ceilings and light flooding through the large bay windows. This room is also large enough to accommodate a dining table. The modern kitchen leads off the living room and comprises of high gloss units at eye & base level, tiled flooring with underfloor heating and is complete with integrated appliances.

The family bathroom has been finished to a high standard and benefits from both a bath and shower. Both bedrooms are good sized doubles, the main having built-in wardrobes and an en-suite shower room.

Set back from the Seven Dials roundabout making city living a convenience. For those of you who are not familiar with Brighton, the Seven Dials in our opinion is blessed with its surroundings having superb local shops, lovely parks and great schools, whilst being a short distance of both Brighton mainline station and the city centre.

This lovely property if offered to let un-furnished and being available to move into from 25th January.
